Actually, I just got a request to set this up with a different site I.D. I will get one from Judy Hansen and then we can create a brand new TDD and fund it. I don't know they first TDD was RS money since they are in "removal" mode, not "removal assessment" mode.

Thanks!

Joyce, this TDD is currently funded RS money. Can't mix RS/RV can we?

Hi Maria – would you please provide a verbal authorization to START for this emergency response? Marilyn, this will be RV funding. Thanks!
